Weather Benchmark Review

- Circle the top five standards that you struggled with (use your benchmark report).
- Write down the name of your partner that also has one of the same standards circled.

	Partner		Partner		Partner
6-4.1		6-4.2		6-4.3	
6-4.4		6-1.1/ 6-4.5		6-4.6	
6-4.7		6-4.8		6-4.9	

6-4.1 Atmospheric Layers, Gases, and Air Pressure

Part 1: Circle one video: Study Jams Weather/ Climate or Study Jams Atmosphere

Part 2: Write 5 facts that I learned/thought was cool from the video resource.

1	
2	
3	
4	
5	

Part 3: Watch the **EXPLANATIONS VIDEO** located in: Weather Weebly>Weather Unit Study Guides Tab for only the questions that you missed for this standard. In the spaces below, **write or draw** what you learned about the content.

Question 4	
Question 5	
Question 6	

6-4.2 Water Cycle and Ground Water

Part 1: Circle one video: Study Jams Water Cycle/ The Water Cycle-Untamed Science

Part 2: Write 5 facts that I learned/thought was cool from the video resource.

1	
2	
3	
4	
5	

Part 3: Watch the **EXPLANATIONS VIDEO** located in: Weather Weebly>Weather Unit Study Guides Tab for only the questions that you missed for this standard. In the spaces below, **write** what you learned about the content.

Question 7	
Question 8	
Question 9	

6-4.3 Clouds

Part 1: Circle one activity: Types of Clouds (YouTube video)/ Cloud Facts slideshow

Part 2: Write 5 facts that I learned/thought was cool from the resource you picked.

1	
2	
3	
4	
5	

Part 3: Watch the **EXPLANATIONS VIDEO** located in: Weather Weebly>Weather Unit Study Guides Tab for only the questions that you missed for this standard. In the spaces below, **write** what you learned about the content.

Question 10	
Question 11	
Question 12	

6-4.4 Air Masses, Pressures, and Fronts

Part 1: Circle one resource:

Fighting at the Fronts!! slideshow/ Air Masses, Pressure & Fronts Facts slideshow

Part 2: Write 5 facts that I learned/thought was cool from the video resource.

1	
2	
3	
4	
5	

Part 3: Watch the **EXPLANATIONS VIDEO** located in: Weather Weebly>Weather Unit Study Guides Tab for only the questions that you missed for this standard. In the spaces below, **write** what you learned about the content.

Question 13	
Question 14	
Question 15	

6-1.1/ 6-4.5 Weather Instruments and Data

Part 1: Circle one resource:

Weather Instruments and Facts slideshow/ Weather Instruments Video (YouTube)

Part 2: Write 5 facts that I learned/thought was cool from the resource you picked.

1	
2	
3	
4	
5	

Part 3: Watch the **EXPLANATIONS VIDEO** located in: Weather Weebly>Weather Unit Study Guides Tab for only the questions that you missed for this standard. In the spaces below, **write** what you learned about the content.

Question 1		Question 16	
Question 2		Question 17	
Question 3		Question 18	

6-4.6 Weather Predictions

Part 1: Circle one resource:

Weather Station Models & Hurricane Tracking (YouTube)/ Weather Prediction Facts slideshow.

Part 2: Write 5 facts that I learned/thought was cool from the resource you picked.

1	
2	
3	
4	
5	

Part 3: Watch the **EXPLANATIONS VIDEO** located in: Weather Weebly>Weather Unit Study Guides Tab for only the questions that you missed for this standard. In the spaces below, **write** what you learned about the content.

Question 19	
Question 20	
Question 21	

6-4.7 Solar Energy and Greenhouse Effect

Part 1: Circle one resource:

Greenhouse Effect Simulation (YouTube)/ Solar Energy Facts Slideshow.

Part 2: Write 5 facts that I learned/thought was cool from the resource you picked.

1	
2	
3	
4	
5	

Part 3: Watch the **EXPLANATIONS VIDEO** located in: Weather Weebly>Weather Unit Study Guides Tab for only the questions that you missed for this standard. In the spaces below, **write** what you learned about the content.

Question 22	
Question 23	
Question 24	

6-4.8 Convection and Climate

Part 1: Circle one resource:

Study Jams Biomes-Climate(YouTube)/ Land & Sea Breeze Breeze Lesson(YouTube)

Part 2: Write 5 facts that I learned/thought was cool from the resource you picked.

1	
2	
3	
4	
5	

Part 3: Watch the **EXPLANATIONS VIDEO** located in: Weather Weebly>Weather Unit Study Guides Tab for only the questions that you missed for this standard. In the spaces below, **write** what you learned about the content.

Question 25	
Question 26	
Question 27	

6-4.9 Global Winds & The Jet Stream

Part 1: Circle one resource:

The Coriolis Effect Lesson (YouTube)/ Study Jams Air Pressure and Wind (YouTube)

Part 2: Write 5 facts that I learned/thought was cool from the resource you picked.

1	
2	
3	
4	
5	

Part 3: Watch the **EXPLANATIONS VIDEO** located in: Weather Weebly>Weather Unit Study Guides Tab for only the questions that you missed for this standard. In the spaces below, **write** what you learned about the content.

Question 28	
Question 29	
Question 30
